About This Game

Freemium Way is an adventure game with tactical turn-based battles and sandbox elements. Find all pieces of the puzzle to identify why does Freemium come to the world of modern games and try to curb it. Make your own way.

Features

- Loot - A lot of items, materials, crafting, trading and upgrades.
- Story - Multiple game locations with a story behind and puzzle mechanics.
- Battles - It is not a yet another card game with decks, but it is turn-based, PvP and PvE.
- Multiplayer - Ability to set up hints and traps for other players, compete or unite.

This is an indie game made by a small team and we hope you'll like it.
